Q4

Do the FTE mentioned in # 2 above include clerical assistance

Respondent skipped this question

Q6

Officially designated Alternate (ASLO)

Q7

Please provide the number, or estimate the number, of the active LWCF grants currently being managed or administered.

Total of 750+ projects, 23 open and activie projects

Q8

Does your agency have an indirect rate agreement with DOI ?

Yes

Q9

If the answer to number 8 is yes, what is the indirect rate you receive from your agreement with the federal government during the most recent fiscal year ?

A little over 12% but the base was calculated on salaries and benefits which we cannot charge on with LWCF so we are currently unable to collect IC. Under State law agencies are required to charge IC on any non-general fund dollars. The IC collected is then taken and put into the general fund, we never see any of the IC rate (when we charge it).

Q10

Please rank the following with 1 being the most problematic, to 5 being the least problematic, issues and challenges you administering LWCF in your state/territory at the current time.

- 6 f conversions 3
- Delay in receiving apportionment letter. 4
- Funding to operate the program 1
- Decision making delays by the federal agency 2
- SCORP requirements 5
