

# Northeast Region Workshop

**Thursday, March 26, 2020**

NYS Office of Parks, Recreation and Historic Preservation

625 Broadway

Albany NY 12207

Join your peers from other NE Region states and representatives of the National Association of State Outdoor Recreation Liaison Officers (NASORLO) at this inaugural Northeast Region workshop. This region has many new staff in the SLO and ASLO positions, charged with managing the perpetual stewardship obligations of the Land and Water Conservation Fund, not to mention the day to day operations of grant management in collaboration with the National Parks Service. One of the primary intentions of this gathering is to establish and sustain a regional support network for state side LWCF efforts, so we can benefit from the collective knowledge and experience of each other and work toward more effective program management.

Intended to be low budget and accessible, there is no registration fee. All costs are to be borne by attendees. Hotel information accompanies this meeting notice. Proposed agenda is below. If you have any questions, please contact Doug Beck at [doug.beck@maine.gov](mailto:doug.beck@maine.gov) or Eric Feldbaum at [Eric.Feldbaum@dncr.nh.gov](mailto:Eric.Feldbaum@dncr.nh.gov).
